

HSIE

Gold and Rainforest Camps & Excursions

The NSW syllabus for **HSIE for Years 5-6** includes a specific focus on two essential study areas for young Australian students – the impact on our society of the discovery of gold and the investigation of a rainforest environment.

COPELAND RAINFOREST GOLD MINE

A fun experience for camps or day trip excursions

If you're looking for an HSIE field trip that adds hands-on fun to the learning process, then you'll love our **Rainforest Gold Mine Excursion** program. You'll visit the historic gold village of Copeland where your students can pan for gold and touch goldmining relics while learning about the surrounding ancient rainforest environment.

Barrington Outdoor Education offers this rewarding HSIE fieldwork program in the scenic foothills of the World Heritage-listed Barrington Tops wilderness area, just over an hour northwest of Newcastle.

Call us today to find out more about our HSIE Camps & Excursions
