

CLASS EXCURSIONS

Years 7-10

Choose your experience, create your own adventure.

Just a few of our exceptional experiences...

Paddling through pristine habitats on white water rivers or flat water coastal lakes.
Conquering fear of heights with abseiling and trusting others on the high ropes course.
Learning essential survival skills for when you're lost: making fire, bush rope and shelter.

Class Excursions for Years 7-10

Take an adventurous excursion with us

Barrington Outdoor Education is an experienced provider and facilitator of class excursions. We offer a variety of one day programs with exciting challenges that ensure team work and real social connection. And they're fun!

Our school excursions give students and teachers a fantastic opportunity to bring the classroom curriculum alive with a unique learning experience in a novel setting.

Valuable outcomes

- Opportunities for children to learn about risks
- Opportunities to children to learn about and take responsibility for their own safety and well-being
- Enjoyable experiences of freedom
- Building confidence and self-esteem

In addition, adventurous activities make demands on children and can provide physical or skill-based challenges. They also develop personal qualities such as perseverance, problem solving and resilience. And all this without a computer screen in sight!
