

# LEADERSHIP CAMPS

Years 7-12

Choose your experience, create your own adventure.

## Just a few of our exceptional experiences...

Paddling through pristine habitats on white water rivers or flat water coastal lakes.  
 Conquering fear of heights with abseiling and trusting others on the high ropes course.  
 Mountain biking down high trails and learning essential survival skills for when you're lost.

# Leadership Camps for Years 7-12

## Inspiring students as good leaders

On this camp students are given responsibility for the group dynamic and any tasks that are required for the activities. The challenging and adventurous nature of the main activity provides an experiential learning environment that's fun too. The program helps develop desirable new skills to be good leaders.

## Valuable outcomes

- Promote increased self-esteem and confidence by providing an opportunity for physical and mental challenge.
- Develop and reinforce personal responsibility, group dynamics and community living skills.
- Develop leadership qualities and techniques
- Teach and develop basic equipment skills and safety techniques, safe practices and habits in the outdoor environment
- Enhance problem solving skills in challenging situations
- Create new recreational interests, skills and friendships
- Encourage environmental awareness and sound environmental practices in the outdoors.
